When I came up here I caught US-61 at St Louis MO. I went North on US-61 for 76.1 miles and turned right onto I-72 East. US-61 was a good drive. I suggest avoiding the small roads in the town of Hannibal MO trying to find a shortcut to MO-79.

Hannibal, MO I-72 Exit 157

		Guard Shack	
S	MO-79	4	RHS

Easy to find just 4 miles down one road. After passing the Guard Shack go up the hill get on the scale and get the rest of your instructions from the scale master.
