

RPM

3194 Hickory Blvd
 Hudson, NC 28638
 35.841670, -81.467501

From: I-85 Exit 17			
L			Gated Entrance
	N	US-321	44.4 on Right

From: I-40 Exit 123B			
ST			Gated Entrance
	N	US-321	11.0 on Right

When coming from Sumter I suggest getting on I-85 in NC and take exit 17. US-321 is a really good road for trucks.

If coming from the north I-40 at NC exit 123B is a good route.

This site has no overnight parking, but there is a truck stop on US-321. While heading North on US-321 take Exit 33 and turn right.

RPM

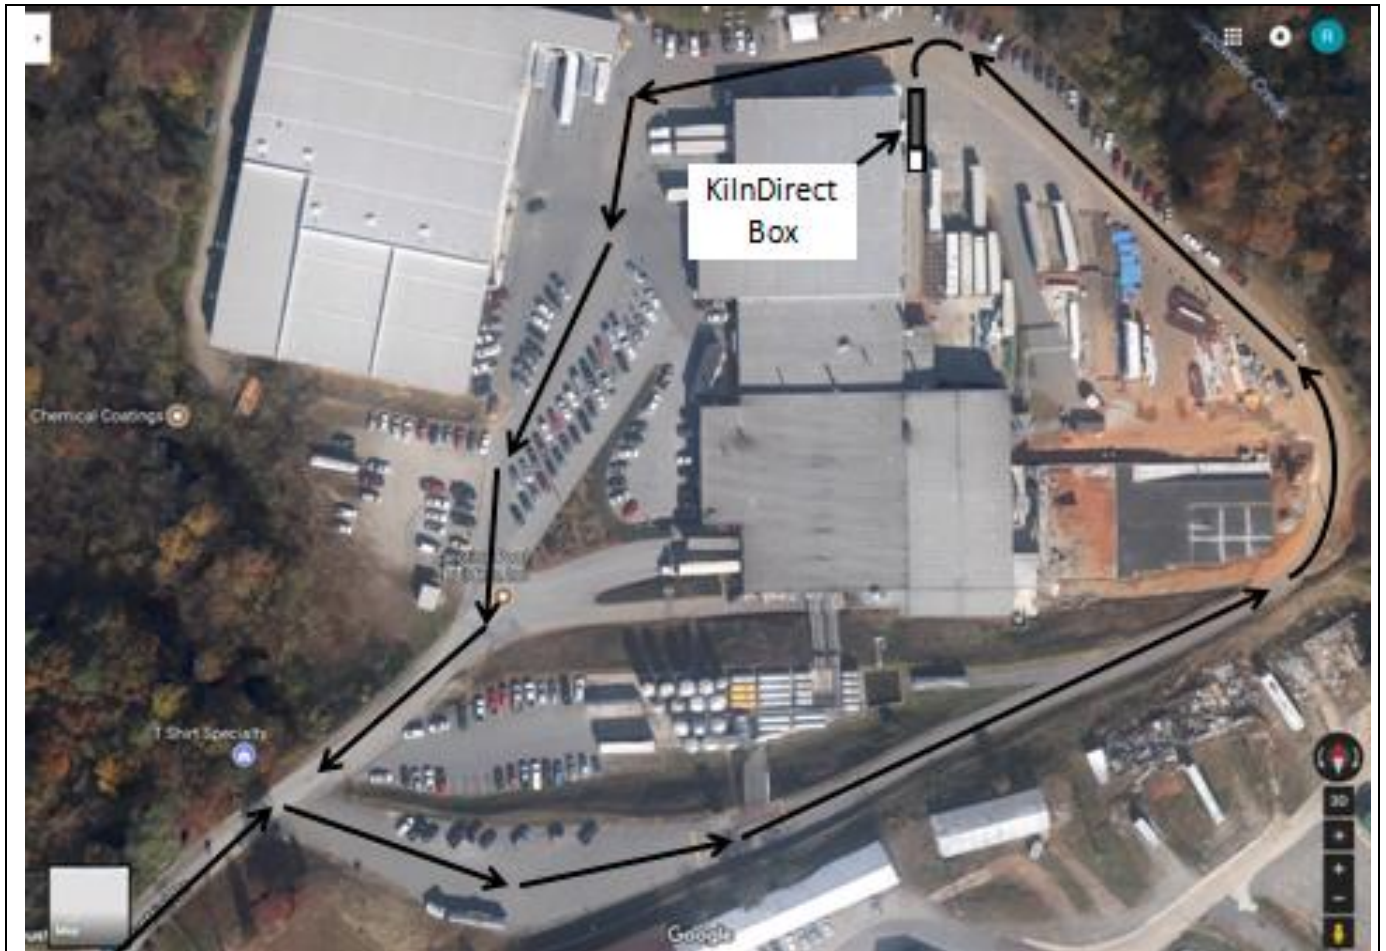

3194 Hickory Blvd
Hudson, NC 28638

When you get close you will see a blue sign on the right "RPM Wood Finishes Group". Entrance is just after the sign on the right

Be careful not to pass by it as it is hidden behind a hill

When you get on the facility turn right and follow the road along the outside perimeter. You are looking for a big white KilnDirect box close to a building. You need to park close to the box so you can connect the hydraulic hoses from your truck to the box. This way you can mix the box before you vacuum.

When leaving RPM you must turn right. The picture above shows the suggested path to turn around and go South on US-321. Before you reach the first traffic light, go thru the shopping center parking lot. The picture below shows what you will see when you get to the entrance of that parking lot.
