

# Dominion Energy

6099 Fain St

Charleston SC, 29406

32.904412,-80.025613

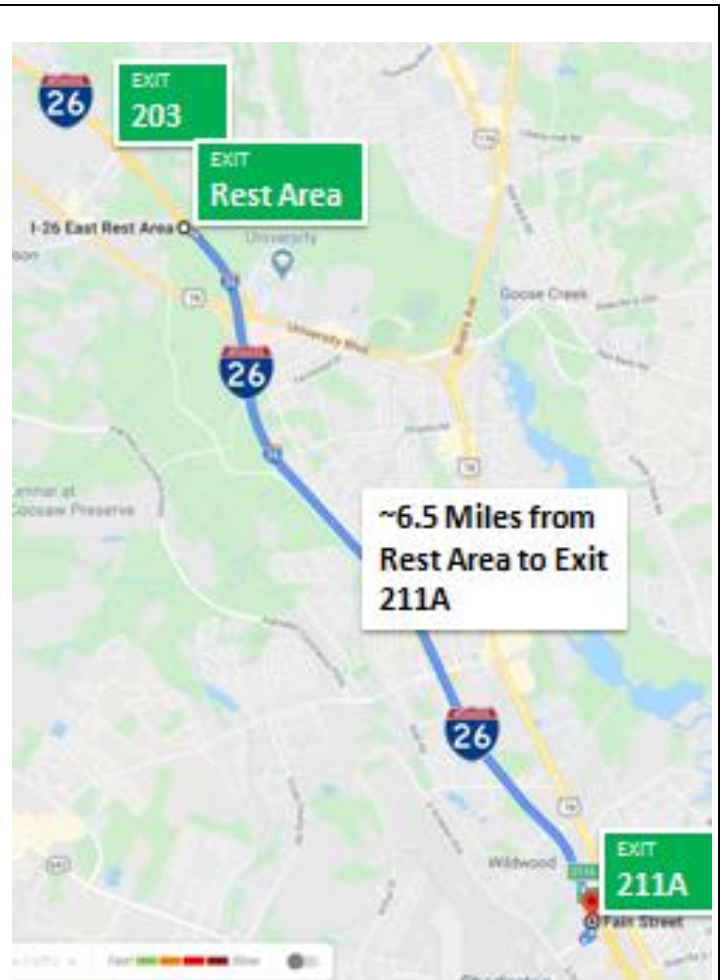

East Bound I-26				
	E I-26			X 211A
R	Aviation Ave	0.1	LGT	
R	Fain St	0.2	Gate	Gate on the left

This place is easy to find. I suggest you stop at the rest area before the facility and call to let them know you're close. Someone needs to come out and let you in the gate.

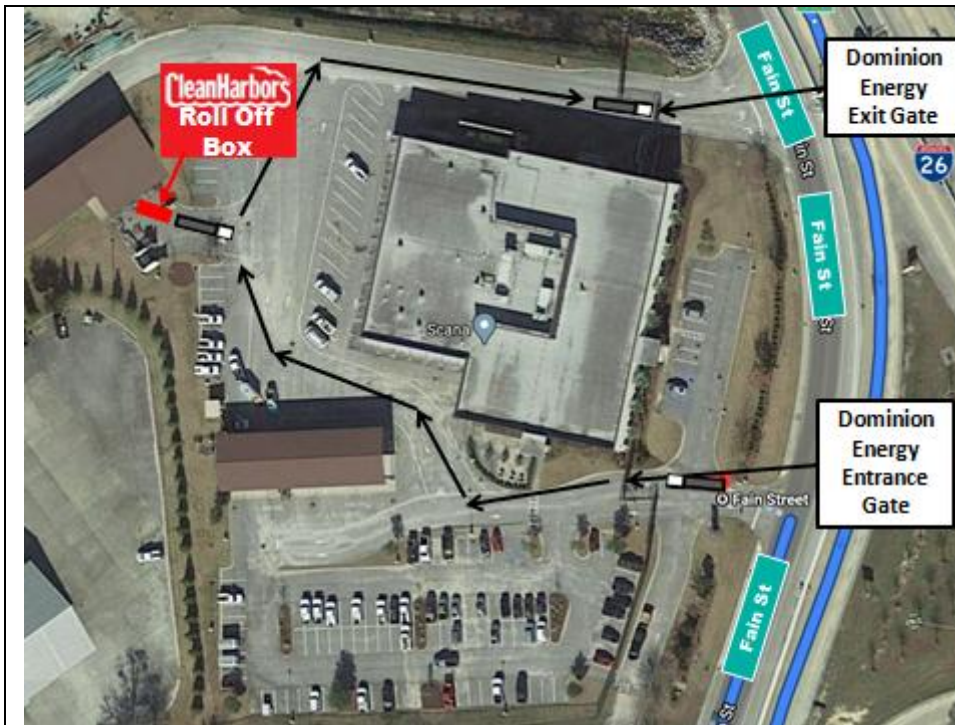

The rest area is just after Exit 203. The rest area is so close, the on ramp from Exit 203 shares the same piece of road as the off ramp for the rest area.

This rest area is around 6 1/2 miles before the Dominion Energy Exit 211A.

East Bound I-26			
	E	I-26	X 211A
R		Aviation Ave	0.1 LGT
R		Fain St	0.2 Gate on the left Gate

When you get to the entry gate, someone from inside the building will need to come out and let you in. If you call the phone number on the gate it contacts security. Security can't open the gate, so they have to call somebody to come out and let you in. I suggest calling your contact directly.

Today they're using a red Clean Harbors box with a tarp that rolls over the top. Today it is the only red box on the facility and very easy to find.

To exit just pull up to the Exit gate and the sensor will detect the truck and open the gate to let you out.
