- Both exit 187 and 194 are ok to use, but don't turn off either until you get to US-78 as the roads in that area are more suited for farm tractors than a tractor trailer.
- The area above marked by a rectangle and a number has a detailed map on the next page.
-  This symbol depicts flashing traffic lights. Red and yellow are oriented on the map to indicate what you will see when entering the intersection.
